Reyes, AWH sub-contractor, shall receive trucked material deliveries within the DART Silver Line guideway between Surveyor Blvd. and Midway Rd. (see attached images).

# AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

**Construction Activity (CA) Details**

The material delivery process shall be as follows:

1. Crews will mobilize on-site to set-up receiving route, establish flagger locations and adequate access to Silver Line guideway.
2. Delivery trucks shall enter off Midway Rd., deliver material in the Silver Line guideway, and exit at Surveyor Blvd.
3. Crews shall have equipment on-site to stockpile the material along the Silver Line guideway.
4. Once deliveries are complete for the day crews will secure the site for follow-on activity.

**Note:** AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners to this scope of work of this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.

**Permits Submitted:**

1. Lane closures and/or detours shall be properly submitted through the Town of Addison permit process.
2. Construction activity outside of specified Town of Addison hours shall be properly requested.
3. Building Inspection Permit No.: CBLD2020-10-0858
