## AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

### Construction Activity (CA) Details

The 12" sewer relocation construction process will be as follows:

1. AWH and subcontractor crews shall mobilize on-site.
3. The area shall be secured for residents and workers on-site. Security items such as flagging for guideway access, security fencing, noise suppression, and proper PPE/identification.
4. Crews shall perform sewer line relocation construction work (excavation, clearing, trench boxes, heavy equipment, and backfill).
5. Crews shall clean-up and mobilize off-site. As a part of the clean-up activities, the contractor will maintain street sweeping and dust control required through the scope of their work.
6. AWH and subcontractors shall have concurrent and follow-on construction activities in the station construction area.

**Note:** AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of this scope of work for this upcoming activity. Street sweeping and flagging access shall be maintained throughout construction activities.

### Permits Submitted:

1. All work will be within the Silver Line Right-of-way (R.O.W.)
2. There are not any additional lane closures expected at this time. Any required lane closure(s) and/or weekend work off DART R.O.W. will be properly submitted through the City of Carrollton permit process.
3. AWH has coordinated with DGNO Railroad for their approval.
