AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

Construction Activity (CA) Details

The night work utility relocation process will be as follows:

1. AWH/Subs ("Crews") shall mobilize on-site to secure the work area for worker, live-traffic, and pedestrian safety.
2. Crews shall perform work (demolition, site excavation, concrete pours, pipe installation, and back-fill) necessary to complete the utility relocation work.
3. Once the Crews are complete with the utility relocation activities, they shall perform a final clean and demobilization from the area.

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.

Permits Submitted:

1. All work will be within the Silver Line Right-of-way (R.O.W.)
2. There are not any additional lane closures expected at this time. Any required lane closure(s) and/or weekend work off DART R.O.W. will be properly submitted through the City of Carrollton permit process.
3. AWH has coordinated with DGNO Railroad for their approval.
