AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

Construction Activity (CA) Details

The BNSF bridge construction process shall be as follows:

1. AWH/Subs ("Crews") shall mobilize on-site to secure the work area for worker, live-traffic, and pedestrian safety.
2. Crews shall mobilize as required by the schedule, heavy-civil construction equipment (cranes, drill rigs, excavators, fleet vehicles, dump trucks, delivery trucks, concrete trucks, etc.) on-site.
3. Crews shall start construction activities (sub-grade, super structure, rail and final commissioning) of the bridge.
4. Once the Crews are complete with the bridge construction activities, they shall perform final construction cleaning and demobilize from the area.

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.

Permits Submitted:

1. All work will be within the Silver Line Right-of-way (R.O.W.)
2. There are not any additional lane closures expected at this time. Any required lane closure(s) and/or weekend work off DART R.O.W. will be properly submitted through the City of Carrollton permit process.
3. AWH has coordinated with DGNO Railroad for their approval.
