AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

Construction Activity (CA) Details

The tree trimming and removal activities are as follows:

1. AWH/Subs ("Crews") to mobilize on-site to secure the work area for worker and pedestrian safety.
2. Crews to mobilize crews and equipment (job trucks, hand tools, and large heavy civil machinery) on-site.
3. Crews to perform site clearing operation removing items such as brush, trees, and debris within the DART Silver Line ROW.
4. Once the Crews complete the site clearing activities, team will prep the area for follow on activities (Utility relocation, dirt work, ballast rock, track installation and etc.)

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.

Permits Submitted:

1. All work will be within the Silver Line Right-of-way (R.O.W.)
2. There are not any additional lane closures expected at this time. Any required lane closure(s) and/or weekend work off DART R.O.W. will be properly submitted through the City of Carrollton permit process.
3. AWH has coordinated with DGNO Railroad for their approval.
