AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

Construction Activity (CA) Details

The S. Belt Line and Sanders Loop closure and construction process is as follows:

1. AWH/Subs ("Crews") to set-up traffic signage and barricades.
2. Crews to mobilize on-site to secure the work area for worker, live-traffic, and pedestrian safety.
3. Crews to mobilize as required by the schedule, heavy-civil construction equipment (cranes, drill rigs, excavators, fleet vehicles, dump trucks, delivery trucks, concrete trucks, etc.) on-site.
4. Crews to start construction activities (sub-grade, super structure, rail and final commissioning) of the bridge.
5. Once the Crews are complete with the bridge construction activities, they will perform final construction cleaning and demobilize from the area.

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.

Permits Submitted:

1. All work will be within the DART ROW
2. There are not currently any lane/street closures scheduled. Any required closures shall go through the proper process.
3. Temporary Right of Entry Agreement with Fort Worth & Western Railroad company
