AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

Construction Activity (CA) Details

The steps to complete the bridge extraction are as follows:

Step 1 - AWH and Mammoet will mobilize equipment (boom lifts, tools, specialty equipment, and trucks) and job-site personnel on-site

Step 2 - AWH and Mammoet shall secure the construction work limits for golfers, residents, workers and on-looker safety

Step 3 - AWH and Mammoet perform bridge extraction construction activities

Step 4 - Once AWH and Mammoet are complete with the bridge extraction process, we shall perform a final clean and Mammoet shall demobilization from the area.

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners to this scope of work of this upcoming activity. Street sweeping and flagging access shall be maintained throughout construction activities.
