## AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

### Construction Activity (CA) Details

The steps Preston Green Park Hike and Bike Trail Bridge are as follows:

Step 1 - AWH to mark trees that will remain and those that were selected for removal according to the attached tree preservation schedule

Step 2 - AWH to secure work site limits for pedestrian, community, worker, and traveling public

Step 3 - AWH to mobilize heavy construction equipment (heavy-civil equipment, job-site trucks, concrete cutters, haul-off dump trucks, survey equipment, etc.), job-site personnel, and on-site storage to the area

Step 4 - AWH to start construction activities inclusive of: survey, tree removal, land clearing, drilling operations, concrete pours, beam erection, and clean-up services

Step 5 - Once AWH is complete with the construction activity we shall clean the area

Note: AWH Public Information/Community Relations ("PI/CR") team will notify residentially adjacent property owners to this scope of work of this upcoming activity. Street sweeping and flagging access will be maintained throughout construction activities.
