## AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

### Construction Activity (CA) Details

The steps storm damaged tree removal are as follows:

- Step 1 - AWH to identify storm damaged trees
- Step 2 - AWH to secure work site limits for pedestrian, community, worker, and traveling public
- Step 3 - AWH to mobilize tree removal equipment (workforce, saws, loaders, etc.)
- Step 4 - AWH to start tree removal activities until storm damaged trees are removed from the area
- Step 5 - Once AWH is complete with the construction activity we shall clean the area

Note: AWH Public Information/Community Relations ("PI/CR") team will notify residentially adjacent property owners to this scope of work of this upcoming activity. Street sweeping and flagging access will be maintained throughout construction activities.
