UPDATED DATES

AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

Construction Activity (CA) Details

The steps for construction activities are as follows:

- Step 1 - Crews to mobilize equipment (dust control, tools, construction equipment, and trucks) and job-site personnel on-site
- Step 2 - AWH is coordinating with City of Dallas sanitation to ensure alley access during construction
- Step 3 - Crews to secure the work area for worker, live-traffic, and pedestrian safety
- Step 4 - Crews to perform construction activities (survey, bore pit drilling, utilities exploration) until completion
- Step 5 - Upon completion, Crews to open alley and prep the area for follow-on activities along Hillcrest

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.

Permits Submitted:
