## AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

### Construction Activity (CA) Details

The construction activities are as follows:

1. AWH/Subs ("Crews") to mobilize on-site to secure the work area for worker, pedestrian, and traffic safety.
2. AHW/Subs to mobilize crews and equipment (job trucks, hand tools, and large heavy civil machinery) on-site.
3. Day Crews to perform saw cut, demolition, installation of temporary asphalt widening, and installation of bridge piers.
4. Night Crews to perform saw cut, demolition, drilling, concrete pour and material haul-off trucking.
4. Once the construction is complete they will demobilize from the area to allow for follow-on activities.

**Note:** AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.
