AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

Construction Activity (CA) Details

The construction activities are as follows:

1. AWH/Subs ("Crews") to mobilize on-site to secure the work area for worker, pedestrian, and traffic safety.
2. AHW/Subs to mobilize crews and equipment (job trucks, hand tools, and large heavy civil machinery) on-site.
3. Crews to perform saw cut and demolition of existing pavement, installation of temporary asphalt widening and installation of bridge piers.
4. Once the construction is complete they will demobilize from the area to allow for follow-on activities

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.
