AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

Construction Activity (CA) Details

The steps to complete the Wester Way Ct. potholing activities are as follows:

Step 1 - AWH/Subs ("Crews") to mobilize equipment (core machines, traffic, traffic controls, dust control, tools, specialty equipment, and trucks) and job-site personnel on-site. Crews to secure the construction work limits for motorist, residents, workers and pedestrian safety

Step 2 - Crews to install short-term alley closure with an accompanying flagger to maintain safety and alley / garage access for residents.

Step 3 - Crews to perform potholing activities

Step 4 - Once Crews is complete with the potholing process, they will perform a final clean and demobilization from the area

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.

Permits Submitted:
