AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

Construction Activity (CA) Details

The Valve Stack Repair construction activities are as follows:

1. AWH/Subs ("Crews") to mobilize on-site to secure the work area for worker, pedestrian, and traffic safety.
2. Crews to mobilize crews and equipment (job trucks, hand tools, and large heavy civil machinery) on-site.
3. Crews to Repair and raise valve stack, regrade base material, form & install rebar and pour roadway, and repair disturbed roadway markings.
4. Once the construction is complete they will demobilize from the area to allow for follow-on activities.

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.
