AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

Construction Activity (CA) Details

The station construction start process will be as follows:

1. AWH/Subs ("Crews") shall mobilize crews and equipment (crew trucks, excavators, heavy-civil equipment, drill-rigs, hand tools, etc.) on-site.
2. The area will be secured for residents and workers on-site. Security measures such as flagging for guideway access, security fencing, noise suppression, and proper PPE/identification will be implemented.
3. Crews shall perform station construction scopes of work (site excavation, sub-grade/above grade utility work, structures work, steel erection, ballast rock, etc.)
4. Crews shall clean-up and mobilize off-site. As a part of the clean up activities, the Crews shall maintain street sweeping required through the scope of their work.
5. AWH and subcontractors shall have concurrent and follow-on construction activities in the station construction area.

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.
