## AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

### Construction Activity (CA) Details

The steps of closure construction activities are as follows:

Step 1 - AWH and subcontractors plan to close access of E. Plano Parkway, secure work site limits for pedestrian, community, worker, and traveling public

Step 2 - AWH and subcontractors plan to mobilize heavy construction equipment (heavy-civil equipment, job-site trucks, concrete cutters, haul-off dump trucks, survey equipment, etc.), job-site personnel and on-site storage to the area

Step 3 - AWH and subcontractors plan to start construction activities inclusive of: survey, excavation, boring, land clearing, drilling operations, concrete pours, beam erection, and clean-up services

Step 4 - Once AWH and subcontractors are complete with the construction activity we will clean the area, open the drive, and prepare for follow-on activities.

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.
