## AWH Silver Line Regional Rail Project Construction Activity (CA) Notification

### Construction Activity (CA) Details

The lane closures and beam setting activities are as follows:

1. AWH/Subs ("Crews") to place lane closure traffic controls (cones, markers, signage, etc.).
2. Crews to mobilize on-site to secure the work area for worker, vehicle, and pedestrian safety.
3. Crews to mobilize crews and equipment (job trucks, hand tools, and large heavy civil machinery) on-site.
4. Crews to perform **beam setting activities on the Southbound and Northbound Platforms of 12th St. Aerial Station.**
5. Once the Crews complete the site clearing activities, team will prep the area for follow on activities (Utility relocation, dirt work, ballast rock, track installation and etc.)

Note: AWH Public Information/Community Relations ("PI/CR") team shall notify residentially adjacent property owners of the scope of work for this upcoming activity. Community engagement, street sweeping and required flagging shall be maintained throughout construction activities.

### Permits Submitted:

1. Pending City of Plano Permit # - ROW22-01273
